

4 x blocks for 'feet'

1 x block for 'body'

1 x block for 'head'

Blocky Ox

1. Colour in and decorate the ox.
2. Cut out all the nets.
3. Make creases along all the lines (except line connecting triangles with the square head).
4. The trapezium-shaped parts are 'tabs'.
5. Fold net into shape and glue the tabs on the inside so it doesn't show.
6. Assemble the parts and glue.
